

Beautiful Scenery

1. Describe the picture using five or more adjectives.
2. Predict what is on the other side of the bridge.
3. What is the basis of your prediction from question number two?
4. Illustrate what the picture would look like during each of the four seasons.
5. Predict what the changes of the scenery will look like in 100 years.
6. Compare and contrast this outdoor scenery to what your backyard looks like.
7. Classify the trees and plant life in the picture.
8. Reconstruct a model of the bridge using a scale model from the picture.
9. Create a character that would live under the bridge and describe a day in his/her life.
10. Design and create a map labeling where in the United States you would be able to find this deciduous forest.
