WALT DISNEY

Remember

Activities: What characters has he created? List at least 10.

Teacher led game: Who was it that...? (Ex. Who was it that gave Snow White a poisonous apple?)

Understanding

Activities: Write an outline, web, or story map so that they can ...

Retell your favorite Disney story.

Applying

Activities: Teacher led game: "What factors would change if...?" (Ex. What factors would change if Elsa lost her power to change things into ice?)

Create a movie advertisement for a new movie using video, blogster, or digital media.

Analyzing

Teacher led game: "Which events could not have happened?" (Ex. Could Sleeping Beauty really have slept that long?)

Write a commercial to sell a new product (to be shown along with the movie advertisement or blog.)

Evaluation

Pick a movie where students choose two characters or groups of characters or groups in which each side will defend their case. (Ex. Beauty and the Beast...Gaston and the Beast both state several reasons why Belle should choose them. Or. The Seven Dwarves each state reasons why Snow White chooses them as her favorite.)

Ask students to keep in mind, "Who will win and who will lose?"

Creating

Create a new product. Give it a new name and plan a marketing campaign. Develop a proposal to put this new product in stores.
